Aqua Matic Watermaker

Ultra Clear DF Purifier

Spot Free Water
99% free of solids

Simple, Direct Feed to Your Current Watermaker

The Ultra Clear DF works with your RO system to convert sea water to double purified water. Its reliable piping connection allows direct feed that activates an automatic operation, and produces spot free water when water is directly fed into the system.

Ultra-pure water is 99% free of water solids. Perfect for rinsing hulls, windows, and extending the life of your boating equipment. It gently lifts debris and dries spot free.

Specifications

Part No.	Capacity	Production/Hr	Production/Day	Number of Membranes	Electrical VAC/Ph/Hz	Full Load Amps (FLA)	Weight
